

How to install Adobe Products on university-owned PC
【Serial number licensing : For Mac OS】

Creation date : 2021-06-07

ExpiryDate(YYYYMMDD) of the volume serial number is 20210831.

Please note that *if the volume serial number has expired, users may experience licensing or serial number errors.* (information source:"[Check expiration of volume or enterprise serial numbers](#)")

So, please be careful not to install the Adobe Products as described in this file for the purpose of using Adobe Products after the volume serial number has expired.

For example, if you plan to use the Adobe Products after the volume serial number has expired, consider installing the Adobe Products using a method other than 【Serial number licensing】 of the services listed on "[this page](#)".

1 Check system requirements

Go to the following page and make sure that the university-owned PC on which you want to install Adobe products meets system requirements.

System requirements | Creative Cloud

<https://helpx.adobe.com/creative-cloud/system-requirements.html>

2 Decide who to be PC Administrator

<Reference>

PC Administrator

http://www.officesoft.gsic.titech.ac.jp/pdf/PC_Administrator_en.pdf

3 Obtain a Passcode

PC Administrator who was decided at “2 Decide who to be PC Administrator” obtains a Passcode.

パスコードの取得について / For information about obtaining the Passcode

<http://www.officesoft.gsic.titech.ac.jp/pdf/passcode.pdf>
